

## **HABITAT POUR L'HUMANITE CONGO**

Habitat Pour L'Humanite provides low-income families the opportunity to own a home. The recipients are required to make their own bricks and to provide the majority of the labor needed in constructing the homes. Over a period of time the home owners will repay the loan they received from Habitat Pour L'Humanite. These funds are used to construct more homes for more low-income families.

The Ambassador's Special Self Help Fund provided Habitat Pour L'Humanite Congo with \$13,600 to build eleven homes in Bas-Congo. All eleven homes have been completed. They overlook the Matadi road and are located between Lukala and Kimpese. The Ambassador inaugurated this life changing project.
